**REQUEST FOR CONSIDERATION OF  
PREVIOUSLY DISCLOSED INFORMATION**

SIR:

On July 9, 2003, Applicant filed an Information Disclosure Statement citing, *inter alia*, three foreign language references, including a journal reference. A Final Office Action was mailed in this application dated March 31, 2005. The Office Action indicates that the Information Disclosure Statement filed on July 9, 2003 failed to comply with 37 CFR 1.98(a)(2) because it does not include legible copies of each U.S. and foreign patent, and that US patent documents were considered, but other documents were not considered.

However, all of the documents listed on the IDS were of record in parent application 09/819,636, from which this application claims priority. Accordingly, no copies of these references need be submitted, and it is requested that these references be considered by the Examiner.

**PATENT**

And Springer-Verlag. It is requested that the Examiner return to Applicant an initialed copy of the attached PTO 1449 form so that the references will be listed on the face of the patent.

Should there be any questions concerning this matter, the Examiner is invited to contact Applicant's undersigned attorney.

Respectfully submitted,
